

**PROGRAM POLICIES &
PARENT HANDBOOK**

March 2025

1. Introduction

The Humble Beginnings Playschool Association ("HBPA") is a cooperative, parent-run program that strives to provide a positive and caring environment where three- and four-year-old children can come together to learn and explore through age-appropriate play, activities and materials. The HBPA provides a setting where the teacher and children interact through play so that each child will further develop their sense of self and others. Our goal is to ensure that the HBPA is a positive and enriching experience for each child. We strive to help achieve Kindergarten readiness and an environment to encourage positive play and socialization.

Humble Beginnings Playschool uses structured and unstructured activities, in addition to a number of play-centered activities, to satisfy the developmental needs of children. This child-directed play-based program will provide experiences that foster a growing relationship with the natural world. Through discovery and messy fun, participants will deepen their connection with nature, problem-solve and build on age-appropriate social skills. While interacting with other students and nature throughout the variety of activities, we emphasize independence, respect and responsibility.

Types of play areas include craft tables, painting centers, dress-up and house centers, a small library with books and puzzles, manipulatives centers, sand/water play, a space for music and creative movement, and access to outdoor space. Outdoor playtime is an important and essential part of HBPA, allowing for children to experience nature and unstructured activities. Our students will have the unique experience of spending time outdoors utilizing the facilities outdoor learning space as well as developing physical and educational skills through outdoor activities such as gardening.

The HBPA is successfully operated with the support of teachers and volunteers from our community of families. HBPA is non-profit and non-denominational. The following is a further breakdown of the HBPA's objectives:

Development of Skills

- Sharing, taking turns, resolving conflicts, and building confidence are recognized as important factors in understanding appropriate group and individual behavior.
- To value and respect the "whole child" by including elements such as trusting children to initiate their own activities and work on projects without interruption.
- Building competency and self-reliance while facilitating problem solving and social interactions through modeling and encouraging autonomy and child-initiated conflict resolution.
- Developing intellectual, communication and language skills by exploring new environments and sharing ideas and information as a group.

Development of a Positive Attitude Towards School

- Learning should be enjoyable.
- Working on skill development necessary for Kindergarten readiness.
- To build and nurture strong, positive relationships within the Playschool community between parents, the Teacher, parent volunteers and the New Humble Community School community.

Physical Development

- Small and large muscle development will be aided through the use of manipulation of small objects and during physical centers and outdoor time.
- Utilizing outdoor time for physical development through outdoor activities and tasks related to the agricultural experiences available at the facility.
- Working to build fine motor skills through fun and interactive learning.

Potty Training

Children enrolled in our playschool classes **must be fully potty trained before attending playschool.**

Please dress your child in clothing that can be undone and changed easily. We require all of our students to have a complete change of clothes left in the classroom. If your child has an accident, their soiled clothing will be sent home to be washed and they will be dressed in their spare clothes. It is your responsibility to send a clean set of spare clothes back after an accident.

In the event Black Gold School Division buses are not running due to inclement weather or hazardous roads, the Playschool Teacher will determine if class will be canceled that day. You will receive notification as soon as possible. Roster Parents will not be penalized for not attending on "no-bus" days if they inform the Volunteer Coordinator a minimum of one (1) hour before the start of their child's scheduled class.

5.1 Late Pick Ups

Overtime / Late Pick Up:

Overtime is defined as care any time outside of operating hours. Overtime fees are charged at \$1.00 a minute after your scheduled pick up time. **(Owl class 11:30am & Deer 2:30pm)**. This is paid directly to the staff and will be invoiced monthly at the end of the month. It is due the first day of the next month. This charge is to discourage late pick up times. Failure to pay overtime invoices can result in termination from our program. No child care receipt is given for overtime charges. We may waive your late fee, depending on the circumstances and if you have called us in advance.

All other mail will be put in your child's mail slot. We ask that you and your child check this slot each day.

9. Healthcare

9.1 Medication

Please consult the HBPA President regarding specific chronic health conditions and allergies. All known allergies should be noted on your child's registration form. A discreet note of children and their allergies will be posted in the classroom so the Playschool Teacher and Parent Volunteers can help in providing a safe environment.

If your child temporarily requires medication to be administered throughout the school day, please keep your child at home. The Staff and Volunteers of Humble Beginnings Playschool will not be responsible for the giving, storing and/or dosing of prescription or over-the-counter medications to students in this type of situation.

The exception to the above policy is medication required for immediate treatment of allergic reactions, such as Epi-pens or inhalers. Any medications related to allergic reactions will be kept in a locked box inside a cabinet within the playschool room. Each required item, in its original container, will be in an individual sealed container with the child's name clearly marked and stored inside the locked box. If any medication needs to be administered, parents or guardians will be contacted immediately and will be required to pick up their child.

9.2 Accidents

In the event of an accident where a child is injured, the Playschool Teacher will provide first aid. Where the severity of the accident is such that the Playschool Teacher cannot be certain the care given is sufficient, 911 will be summoned immediately and the parent will be notified.

In the event of minor injury to the child (e.g. scratch, bruise), the Playschool Teacher will notify the parents at pick-up time.

9.3 Illness

Certain symptoms in children may suggest the presence of a communicable disease. Children who have the following symptoms should be kept home from school until they have been fever and symptom free (without fever reducing medication) for 24 hours.

Symptoms include:

- **Fever** (of 38°C (101°F) or higher): Especially if accompanied by other symptoms such as vomiting, sore throat, diarrhea, headache and stiff neck or undiagnosed rash.
- **Respiratory**: Difficult or rapid breathing or severe coughing: child makes a high-pitched croupy or whooping sound after they cough or child is unable to lie comfortably due to continuous coughing.
- **Diarrhea**: An increased number of abnormally loose stools in the previous 24 hours. Observe the child for other symptoms such as fever, abdominal pain or vomiting.
- **Vomiting**: Two or more episodes of vomiting within the previous 24 hours.
- **Eye/Nose Drainage**: Thick mucus or pus draining from the eyes or nose.
- **Sore Throat**: Sore throat, especially when fever or swollen glands in the neck are present.
- **Skin Problems**: Skin rash, undiagnosed or contagious; infected sores: sores with crusty, yellow or green drainage which cannot be covered by clothing or bandages.
- **Itching**: Persistent itching or scratching of body or scalp.
- **Appearance/Behavior**: Child looks or acts differently, unusually tired, pale, lacking in appetite, confused, irritable, and difficult to awaken.
- **Unusual Color Eyes or skin**: yellow (jaundice); stool: gray or white; urine: dark, tea colored. These symptoms can be found in hepatitis and should be evaluated by a physician.

If a child becomes ill during the day, they will be kept isolated from the other children. A staff member or roster parent will remain with the child and make them as comfortable as possible. A parent will be notified and asked to pick up the child. If a parent cannot be reached, an emergency alternative number will be used.

Keep in mind that we will spend time outdoors almost every day. If your child is not well enough to play outdoors, please keep him/her home.

10. Supervision

No Child will be unsupervised during the duration of the class, including prior to class, following class and bathroom breaks .

11. Child Guidance

No single child guidance technique will work with every child every time, so it's important to have a variety of techniques from which to choose. We believe child guidance procedures are preventative, not punitive, and are designed to help children accept responsibility for their actions, exercise self-control, develop social consciousness, and acquire the skills necessary for lifelong success in the real world.

Child guidance techniques are implemented consistently and appropriately, based on each child's individual needs and the specific situation. The Playschool Teacher and Parent Volunteers are to routinely model respect, self control, care for others, and socially appropriate behavior. Our learning environment is set up to encourage positive behavior and minimize frustration, with consistent routines and materials that can be accessed and put away independently. At all times the child guidance procedure will employ a loving and nurturing manner to encourage self-control, teach self-respect, respect for others and respect for property. Child guidance procedures will never include punishment that is humiliating or frightening to a child such as hitting, spanking, shaking, verbal or sexual abuse, withholding or forcing food, or punishment for lapses in toilet training. These and other forms of physical punishment are prohibited and will never be used, even at the request of a parent.

11.1. Disruptive Behaviour

Every effort will be made to provide an interesting and varied program of activities to keep children happy and busy, thus reducing the need for discipline. However, if a child is disrupting the play of other children or endangering themselves or others, they will be dealt with in the following manner:

- The Playschool Teacher will tell the child in a friendly way the effect the actions are having or may give the child ideas of better ways to play. If this has no effect:
- The Playschool Teacher will take the child aside and firmly tell them that the action cannot continue, giving a reason for not continuing. The child will be given a choice of changing the action or moving to a different play area for a change of activity or taking some alone time. If this has no effect:
- The child will be redirected with the Playschool Teacher or Parent Volunteer redirecting the play. The Playschool Teacher/Parent Volunteer will continue to be involved with the play until that child does not need any more assistance.

11.2 Disciplinary Policy

HBPS is obligated to ensure a safe environment for all children. In keeping with that obligation, should the behaviour outlined in 11.1 threaten the safety of other children, or become a pattern, the steps outlined below will be taken. Movement through this process will be at the discretion of the Teacher(s) and the Board and will be subject to the child's improvement and the parent(s)' engagement.

11.2.1 Parent Notification

An incident report shall be documented by the teacher(s) including all details of the incident(s) to date including statements of any witnesses. The parent(s) of the child responsible for the incident(s) shall be notified about the behavior to allow them to address it with their child.

11.2.2 Parent/Teacher Meeting

Should the behaviour persist, further incidents will be documented in the same fashion as outlined in 11.2.1. The teacher will set a meeting with the parent(s) of the child responsible. An appropriate board member shall attend the meeting as requested by the teacher. At the meeting the behaviour shall be specifically identified and discussed with the parents and a plan of action moving forward shall be agreed upon by all parties. Appropriate resources shall be provided to the parent(s) to assist them in addressing the behaviour.

- The Family Resource Network is a support available to residents of Leduc County, Beaumont, Devon, Calmar, Thorsby, and Warburg. Their support focuses on strengthening parent and caregiver knowledge and connections, coping and problem solving, child and youth development, and community resources. The FRN may opt to work closely with the parent(s) and the school to develop a plan of action.

The parent(s) participation and engagement is pivotal to the success of the plan and to the child's ongoing enrollment in the program.

11.2.3 Probation

Should the behaviour persist, the child will be placed on academic probation which means the parent(s) will be required to attend class with the child until such time as the child's behaviour improves and the Teacher and the Board agree to gradually ease the probation restrictions.

11.2.4 Expulsion

Should the steps previously taken fail to address the child's behaviour or should the parent(s) refuse to engage in the process. The Board may decide to expel the child from the school for the semester. This will not impact their ability to reapply to the school in the following semester, nor will it impact their ability to apply to Kindergarten as a HBPS student.

12. Personal Information & Records

Once a child has been confirmed in one of our playschool classes, detailed information is required to ensure the HBPA has the necessary information and to meet our licensing requirements.

All records will be kept confidential by the HBPA Registrar in a locked safe. These records are filed by class, and then alphabetically by last name.

12.1 Sharing Personal Information

HBPA is a cooperative, parent volunteer-run playschool. All personal information received by the HBPA including FOIP will be treated as confidential and accessible only to those HBPA Staff, Teacher, Board Members and Volunteers who require the information to perform their duties.

Parents will be asked to share their contact information for the creation of the Roster Parent Substitution List. You can choose to not share your personal information without repercussions.

For the purpose of in-class events, eg. Valentine's day, a class list with first names only will be provided to parents.

13. Parent Involvement

As a cooperative, parent volunteer-run playschool, volunteering is a mandatory component of Humble Beginnings Playschool. For the purpose of this document, the definition of “parents” shall include legal guardians.

13.1 Volunteering In the Classroom

Parents will be required to sign up for their rostering days for the year at the annual AGM.

Parents or caregivers, such as a grandparent, may act as the in-class volunteer. All volunteers (including grandparents and other caregivers) are required to obtain and produce a valid Criminal Record Check with Vulnerable Sector two weeks prior to the date they volunteer. Children not enrolled in the HBPA program are unable to attend class with a parent/caregiver volunteer due to licensing requirements. This is to be submitted at the time of your child’s registration.

If you are scheduled to roster and do not show up or fail to send someone in your place, you will receive a warning from the playschool executive or Volunteer Coordinator and your cheque of \$75.00 will be deposited. Your child will be removed from class and sent home. Please note: missing more than 2 scheduled roster days without sending a replacement can result in the permanent withdrawal of your child. These decisions will be made on a case by case basis by the HBPA Board.

Please arrive ten minutes early on your classroom volunteer day and plan to stay ten minutes after class ends for final tidy. A complete list of Volunteer duties will be provided in the classroom

13.2 Parent Behaviour

Parents are asked to behave in a professional and courteous manner towards HBPA and NHCS Students, Staff, Board Members and other Parent Volunteers. Abuse of any sort **will not** be tolerated and will result in only one warning. Should there be a second offense the child(ren) will be removed from the Playschool immediately.

13.2A Custody

Should there be any sensitive issue involving the child (ie. custody) the HBPA should be made aware but will not be involved any further. Playschool should be a neutral place.

13.3 Fundraising

HBPA’s operational support is dependent on fundraising. We make an effort to accommodate everyone by offering a wide variety of fundraising options. We have specific and firm fundraising rules to get the most out of our fundraising efforts as we are a non-profit organization.

Each family is required to raise a total of \$300 profit for the school year. There is a minimum fundraising requirement per family of \$150 from September – December and \$150 from January – May. Once the family’s commitment has been fulfilled the two \$150 deposit cheques will be destroyed at the end of the year. If \$150 fundraising profit is not made prior to December 3, your \$150 cheque will be cashed.

Fundraisers are decided upon at the meetings by the executives and parents. Any fundraising suggestions or question regarding fundraising and the requirements can be address with the fundraising coordinator at fundraising@humblebeginningsplayschool.ca

13.4 Classroom Deep Cleaning

All families are obligated to assist in a "Monthly Deep Clean" of the HBPA classroom at least once a year, depending on number of children registered. Failure to fulfill the "Deep Clean" duties will result in the cashing of the Cleaning Deposit Cheque. If you are unable to attend your scheduled cleaning date or will be more than 15 min late, it will be your responsibility to find someone to switch cleaning dates with. If you need assistance with this you can reach out to (volunteercoordinator@humblebeginningsplayschool.ca)
